BANGALORE.

Sir,

I beg to state that in March 1908 myself and Doctor Abboy Naidu applied to Government for the piece of land in Melkote lying behind the Kalyani and opposite the Namadakatte garden for constructing a Mantapam for the use of the devotees of the temple and forming a flower garden for the use of Sree Chelvaraya Swami. After some correspondence, Government in their Proceedings No.633/M. 128-09-2 dated the 2nd, September 1909 was graciously pleased to sanction the grant of the plot of ground marked A B E G H J K D in the sketch accompanying, reserving the major portion.

which was
a Kacha
structure

Later in December 1911 hearing that this bit of land marked has been applied for by the authorities of Ethiraja Mutt,

in an application to the Sub-Division Officer, Frenchrocks, stating that if it is the intention of Government to change their ~~600~~ order and grant it to others, my claim by priority of right, as owning the adjoining land may be considered. In reply an endorsement was given that the matter will be investigated and a satisfactory decision arrived at during the last Vairamudi Festival, but nothing is heard of till now. I am inclined to believe that if if the bit of land in question is granted to the Ethiraja Mutt that the object with which we have undertaken to effect the improvements stated already will be frustrated, since it is the main object of the Ethiraja Mutt to convert the said place into a burial ground, and if it turns out to be so, it will be impossible for us to get Sree Chelvaroya Swami to enter our Mantapam which is is hardly 30 yards from the land in question.

Besides the bit of land marked red is now in a very insanitary condition which is prejudical to the health of the residents close by, and unfit to bring Sree Chelvaraya Swami to the locality. The land already granted to us has been converted into a flower garden and is enclosed by a fence. We have also at a considerable cost levelled the land and sunk a very useful well. Flowers are being supplied from this garden to the various temples at Melkote. This bit of land in &&&&&&& question will also be enclosed and kept in a good condition if granted to us . We therefore, request that you will be so good as to consider all the facts of the case and sanction the grant of site marked red to us alone, considering our prior claim.

I beg to remain,

Sir,

Your most obedient servant,

From.

Assistant Commissioner
French-Rocks Sub Division.

To.

A. Subramanya Iyer Esqr, B.A.
Deputy Commissioner
Mysore District.

Sir,

With reference to your memo No. 119 dated 26th April 1913, forwarding for my opinion Mr. A. R. Chalmaraya Madaliar's application for [illegible] of the piece of land [illegible]

in the rough map furnished by him, I have the honor to report:-

The portion asked for is 207' x 111', and is adjacent to the road to Melkote It is at present being used as a cart stand during jatra time - and serves the purpose admirably. It contains besides a mantapam, the tomb of a former Swami of the yatiraja mutt, and a pathway to the pond.

2 When the plot marked A. B E. G H J. K. D was conditionally granted to Messrs Chalumarya mudaliar and Abboy naidu, the absence of brindavanam on

it was probably one of the circumstances which determine the grant. The Yathiraja mutt withdrew its objection only on ascertaining that the plot did not include Brindavanam.

3. The present applicant has raised the point directly. I am of opinion that having regard to the sanctity which attaches to the places of sepulcure of Swamis the plot now applied for cannot be granted to Mr. Chelumaraya Mudaliar.

4. The land at present in his occupation is empty &

for his object, which is merely to have a flower garden, and a mantap for charitable purposes.

5 The Yadiraja matt wants the land for a flower garden, and is willing to bind itself to the condition that it shall not be used as a burial ground.

6. I am of opinion that the land should not be given to private agency at all but should be kept open to the public for use as a cart stand during jatra. As has already been stated, there is a pathway on it leading to

pond, which is of great public utility.

7. The connected papers are herewith submitted with a petition.

I have the.
